SUBJECT: GUYANA UNESCO CONVENTION NOT ON AGENDA

REF: STATE 19851

[1](#)1. Post is not aware of any attention paid to the UNESCO Convention on Cultural Expressions in legislative, media, or public forums in Guyana. The University of Guyana has not held any discussions on the matter, and informal inquiries to parliament revealed it is not on the legislative agenda. A review of major print media found no published opinion for or against ratification since October.

[1](#)2. Parliament will likely be prorogued in May in preparation for the election scheduled in August, making any legislative action on the convention in the near-term highly unlikely.
